Patchogue, NY – Performing arts organization Companion Star will present a concert reading of its flagship project, *dream seminar*, on August 31 and September 1 at the Secret Theatre in Long Island City.

Dream seminar is a full-length music theatre piece created according to Companion Star's unique collaborative method. It is a bilingual work (English and Swedish) based on the words of contemporary Swedish poet Tomas Tranströmer, the music of composer Ellen Lindquist, and it employs a libretto by Stage Director Pat Diamond & Soprano Kathleen Flynn. The international cast includes two vocalists & twelve instrumentalists.

As with all of Companion Star's work, *dream seminar* is developed collaboratively through improvisation. Companion Star hopes to premiere *dream seminar* in fully staged productions in Sweden in 2012 and New York in 2013.
